PRODUCT RANGE OVERVIEW

Our Product Range

Comprehensive Industrial Piping, Flow Control and Fire Protection Solutions for Engineering, Manufacturing and Infrastructure Projects

Delivering a complete range of industrial piping, flow control and fire protection products sourced from trusted manufacturers and industry-leading brands.

01 MS / SS / CS PIPE FITTINGS

Reliable mild steel pipe fittings engineered for industrial piping systems, process plants and infrastructure projects.

02 FORGED FITTINGS

High-strength forged fittings designed for demanding pressure, temperature and critical industrial applications.

03 INDUSTRIAL FLANGES

Comprehensive range of flanges ensuring secure, leak-resistant and long-lasting piping connections.

04 INDUSTRIAL VALVES

Advanced flow control solutions providing reliability, efficiency and operational safety.

05 PIPES & TUBES

Quality pipes and tubes suitable for fluid transportation, structural applications and industrial operations.

**SERVING

CONTRACTORS**

**INDUSTRIAL
FACILITIES**

PREMIUM PIPES

FOR EVERY INDUSTRIAL NEED

MS ERW PIPES

High strength ERW pipes suitable for various structural and mechanical applications.

SS SEAMLESS PIPES

Corrosion resistant stainless steel seamless pipes for critical applications.

CS SEAMLESS PIPES

High performance carbon steel seamless pipes for high pressure and high temperature services.

GI PIPES

Zinc coated GI pipes for corrosion resistance and long lasting performance.

SCHEDULE PIPES

Available in all schedules, thickness and sizes as per industry standards.

INDUSTRIES WE SERVE

CONSTRUCTION

Supplying durable and high-quality products for building the future.

INFRASTRUCTURE

Reliable solutions for roads, bridges, metros, and public infrastructure projects.

MANUFACTURING

Supporting factories with efficient, consistent, and performance-driven products.

CHEMICAL PLANTS

Corrosion-resistant and high-grade products for demanding environments.

WATER PROJECTS

Complete piping and flow solutions for clean water and wastewater management.

HVAC

High-performance systems and components for heating, ventilation, and air conditioning.

FIRE PROTECTION

Certified and dependable products to ensure safety and protection of life and assets.

ENGINEERING PROJECTS

Custom solutions and bulk supply for EPCs and engineering contractors.

SAMOR ENTERPRISE

THANK YOU

Thank you for choosing Samor Enterprise as your trusted industrial supply partner. We look forward to building long-term relationships through quality products, reliable service and timely delivery.
